

<b>POSITION</b>	<b>Maintenance Support Specialist</b>	<b>WIN</b>
<b>LOCATION</b>	<b>Coolidge, AZ</b>	<b>AVIATION</b> AIRBORNE EXCELLENCE

Win Aviation is a Part135, DoD certified, air carrier that provides support for military para ops training and government/non-military and civilian commercial airlift services. We maintain our fleet of 32 aircraft (and others) at our Part 145 Repair Stations in DeKalb, IL and Coolidge, AZ.

Win Aviation has an exciting opportunity for a Maintenance Support Specialist at our Coolidge, AZ facility, to join our team to professionally maintain our shop, facilities, equipment and vehicles.

<b>Salary Range</b>	\$18 - \$30/hr. depending on experience
<b>Benefits</b>	Medical insurance (with option for dental and vision) after 3 month-probation

#### **DUTIES & RESPONSIBILITY**

- Perform general maintenance of shop and facilities, incl. some cleaning (hangar floors, ceiling, etc.)
- Track, maintain and inspect general shop equipment (forklift, ground power units, bench equipment, aircraft jacks, etc.)
- Manage aircraft defueling / refueling, maintain and track filtration components, track and record fuel quality I.A.W. DoD approved fuel program and assist with bulk fuel orders
- Track and maintain company vehicles (oil changes, brakes and tire replacements, etc.)
- Assist with driving company personnel to various locations as well as deliver and/or collect equipment/parts/materials to and from vendors.

#### **WORK ENVIRONMENT**

- Win Aviation is a small business and equal opportunity employer
- We value our employees' wellbeing and safety and encourage a supportive and fun work environment
- Most of the work is performed outdoors
- Employees receive company work uniforms, cleaned and maintained by our supplier
- **No shift work!** Work hours are from 6am - 3pm with 30 minutes lunch break, for a total of 42.5 hours-work week

#### **PREFERRED REQUIREMENTS**

- Hold a valid CDL with Hazmat endorsement
- Experience with operating and maintaining aviation equipment

#### **MINIMUM REQUIREMENTS**

- Must have valid work authorization
- Valid drivers license
- Ability to speak, read, write and understand English
- Must have good general knowledge of mechanics
- Must pass initial and random DOT drug and alcohol tests
- Willingness to work overtime during the week or on weekends, on occasion
- Ability to work in a fast-paced dynamic environment

#### **PHYSICAL DEMANDS**

- Ability to frequently lift/push/carry items up to 50 pounds
- Ability to work outside
